Happy Friday Stober Families,
I hope that everyone is continuing to enjoy our beautiful weather! I have a few important updates and reminders for this week.

For In-Person Families

Entry and Exit Door Change for Monday Morning * Very Important**

Beginning, Monday, October 12th, construction will begin on the west side of our school as the Community Garden project will be getting under way! As part of preparing our property for the new Community Garden, the blue ramp will be removed. Also included in this project, will be stairs to provide access to the upper playground in lieu of the ramp, which will not be completed until later this year.

Here are the changing entry doors:

For Remote Families:

Remote Student Picture Day

Just a reminder that our picture day for Remote Learners is on Wednesday, October 28th.

Below is the link to sign up for a time, along with the order form to pre order. Our goal is to have both Remote and In-Person Learners in the yearbook, however, picture day is not required. We are working on other options for families that do not wish to have their students pictures taken.

Fall Break-October 15th and 16th

There will be no school for students on Thursday, October 15th and Friday, October 16th. Next week is a 3-day week for students. We hope you enjoy a wonderful Fall Break!

Stober Pumpkin Patch

On Saturday, October 24th from 10am-4pm we will be having a Pumpkin Patch sale on the Stober grounds. Social distancing practices will be required including masks, one family per designated "picking" area and six foot distancing at the pay location.

One week before Halloween is the perfect time to buy your pumpkins for carving but not so early that our neighborhood squirrels help themselves to a snack!! More information to come!

Thank you Stober PTA and Crystal Heter for organizing!

Halloween

October 30th will be our school Halloween celebration. Both in-person and remote students will be able to wear costumes for the school day. Staff is currently working on additional plans for both in-person and remote classrooms to celebrate. Unfortunately, families will not be able to join us for Halloween in-person this year. More details about our student celebrations will be coming soon!
