

November 20, 2020

Happy Friday Stober Families,

I want to begin by wishing all of our families a very happy, healthy, and safe Thanksgiving! While I know that celebrations may be different this year, I hope that you all enjoy time with loved ones, relaxation, and memories together. I want you to know how deeply grateful I am for our community and the deep sense of gratitude I hold for all of you. This fall has been unlike any other I have experienced in my career, and I truly am grateful for the kindness, patience, and grace you have shown both to our school staff and to each other. I am in awe of our children, their strength, resilience, and continued dedication to their learning and to our community. I know that we will get through this tough time together, and I continue to remain incredibly hopeful for the future. Happy Thanksgiving!

Please take a minute to review our Stober Remote Learning Transition Plan which was sent out last week. It provides information to support the full transition to Remote Learning for all students on Monday, November 30th. There is new information regarding Remote Meal Pickup Sites for student meals during Remote Learning.

2020 Class Competition PTA Membership Drive

We are wrapping up our PTA Fall Membership Drive with a Class Competition. The Class that has the highest percentage of members joining PTA between August and Thanksgiving will win a fabulous goodie bag party the second week of December. This party is open to both in-person and remote classes. Families with kids in multiple classes will get credit in each classroom. In addition to the class party one name will be drawn in the winning class for a gift card to their choice of Build-A-Bear, the Lego Store, or Target. Come run with our Herd!
