

December 11, 2020

Dear Stober Families,

Happy Friday! Thank you to everyone for supporting our Flex Day today. Teachers enjoyed meeting individually with students both in-person and remotely, so thank you!

As we wrap up 2020, I wanted to once again review the schedule for next week, as I know how busy this time of year can be!

### **Giving Tree**

Thank you for your generous support of this year's Giving Tree. Please remember gifts are due Monday, December 14. The deadline is extremely important so that gifts may be sorted and delivered. Please contact Liz Mason (303-944-2427) with questions.

### **Dine to Donate**

Monday, December 14th is our next Dine to Donate from 4-8 at the *Applewood Noodles & Company*. Please consider dining out on Monday to support our school!

### **Virtual Classroom Holiday Parties**

Friday, December 18th we will hold our Virtual Classroom Holiday Parties! Teachers will be communicating details soon regarding virtual celebrations. This will be our last day of school for 2020, as December 21st & 22nd are non-student contact days.

### **Winter Break**

The students last day of school for 2020 is Friday, December 18th. This will be mostly an asynchronous learning day with holiday parties included. Students will return to school on Wednesday, January 6th. Please know that we are waiting for the district decision around when in-person learning will resume and I promise to update you as soon as we know!

### **EnrollJeffco**

It is hard to believe it's time to start planning for next year. All families are being asked to log into EnrollJeffco and submit their intent to return notice. EnrollJeffco and the Round One Enrollment Window opens on Tuesday December 8th and closes on Friday, January 15th. If you have any questions or need any assistance, please call the office or email Kandi at [kandi.hallcarrillo@jeffco.k12.co.us](mailto:kandi.hallcarrillo@jeffco.k12.co.us). Please be sure to log into Jeffco Connect prior to submitting your intent to return in EnrollJeffco, to ensure that all of your information is correct. EnrollJeffco uses the same log in credentials as Jeffco Connect.

**Jeffco Family-School Partnership Survey**

This is just a reminder that the district's Family-School Partnership survey is still open and I would encourage everyone to complete the survey. Hopefully, everyone received the link sent out by Jeffco, but I wanted to include it again here if you have not yet completed it. The survey provides us with valuable information and helps us to continue to grow as a school. Thanks in advance!

I hope everyone enjoys a wonderful weekend,

Anne
