

September 24th, 2021

Happy Friday Stober Families,

Coming up this Tuesday is our Renovation Celebration! We truly hope that everyone will join us to celebrate our building renovation and please invite your neighbors! Food will be provided by Stober PTA and we are excited to enjoy live music by Denver band, *The Ghost of Joseph Buck*, featuring Stober parent, Stephanie Schooley. Additionally, our 5th graders will be providing guided tours of the building. We look forward to seeing everyone Tuesday from 5:30-7:00.

Please share this information with your neighbors!

Coming Up:

September 28-Renovation Celebration 5:30-7:00pm
October 1-October Count Day
October 7-No School-Teacher Professional Learning Day
October 8-No School-Fall Break
October 13-PIE & PTA Meetings 6-8pm
October 14-Dine to Donate @ Freddy's 4-8pm
October 19 & 21-Fall Conferences

Covid Dashboard

Jeffco has reinstated the Covid Dashboard this year, so that families can view the number of Covid cases occurring in schools. It can be accessed from our homepage, or I have linked it here:

<https://www.jeffcopublicschools.org/cms/one.aspx?pageId=16574829>

After-School Enrichments

Don't forget to register for our After-School Enrichments. Registration for Robotics & Coding, and Disc Golf as well as ALL scholarship applications need to be received by Monday, September 27th. Registration for Sweet Ridge Art, Talk to the Camera and Mad Science do not have a deadline. Our first session will begin the week of October 11th, and end the week of November 19th. Information can be found on the Stober website under Clubs and Programs and After-School Enrichments, we have provided the link below. In addition a flier was sent home last week in Friday Folders. Please note some important changes to the registration process.

We are still waiting on registration information for Sweet Ridge Art, as soon as we have it, we will let families know, and post it on the After-School Enrichments webpage linked below.

1. We have moved to an online scholarship application and registration process for all clubs.

2. Due to limited space in our teacher-run clubs, (Robotics & Coding and Disc Golf) we will be utilizing a lottery process rather than the first come first serve process we have used in the past.

3. Payment for Robotics & Coding and Disc Golf will be collected after notification of selection.

To register and for more information, please click the link below, or you may scan the QR code located on the flier sent home in Friday Folders.

5th Grade Yearbook Club

Registration for our exclusive 5th Grade Yearbook Club is open! If you are interested in joining, please make sure to click the flyer below for more information and to register. As a reminder, this club will be maxed at 10 students, we will determine placement using a lottery system. Any students not selected will be placed on a waitlist. If you have any questions, don't hesitate to contact Ms. Kandi or Mrs. Eck.

Important Health Reminder

This is a reminder to all families to please utilize the symptom screener linked here if you are unsure whether or not to send your child to school. Any students showing symptoms will be sent home. This is the current district policy, as we are working hard to keep everyone healthy. If you take your child for a Covid test, they must stay home until you have received a negative test result.

Lastly, I want to thank everyone who joined us at Chipotle last week for Dine to Donate! Thank you for your support!

Thank You,

Anne DiCola
