

October 7th, 2021

Happy Thursday Stober Families,

I hope that everyone is enjoying Fall Break! The weather is beautifully fall--so I hope you get a chance to get out and enjoy!

**Coming Up:**

October 13-PIE & PTA Meetings 6-8pm

October 14-Dine to Donate @ Freddy's 4-8pm

October 19 & 21-Fall Parent-Teacher Conferences

October 22-Stober Family Outdoor Movie Night 6:15pm

October 23-Fall Festival & Pumpkin Patch 10-4

**SSIS Screener**

The Stober community works together to ensure high levels of learning for all. This includes not only being attentive to academic growth, but also recognizing that social and emotional growth of students is critically important. On Wednesday, October 13th, we will be using the **Social Skills Improvement System™ Social-Emotional Learning Edition Screening/Progress Monitoring Scales (SSIS SEL)**.

The SSIS screener is a strength-based tool for assessing social and emotional competence and will be used across all Jeffco elementary schools this year.. The information acquired through the screener will guide our development of school-wide, small group, and/or individual social-emotional interventions. You will be notified if your child is recommended to join a small group or individual intervention.

**If you prefer your child not to be screened, please notify the Social Emotional Learning Specialist, Izzy Harrison at [Izzy.Harrison@jeffco.k12.co.us](mailto:Izzy.Harrison@jeffco.k12.co.us) by Tuesday, October 12th.** If you have any questions, please do not hesitate to reach out to Izzy Harrison or your classroom teacher.

**Fall Parent-Teacher Conferences**

Our first semester parent-teacher conferences are approaching on October 19th & 21st. Sign-ups are on the website and linked below. For your convenience, both in-person and remote options are available. Please contact your child's teacher with any questions.

## **Mask Reminder**

This is a reminder that all students need to wear a mask at school. We are asking that students bring more than one mask from home each day. While we do have masks available for use when needed, we are going through the disposable masks very quickly and would request that students are sent to school with an extra mask, when possible.

## **Important Health Reminder**

This is a reminder to all families to please utilize the symptom screener linked here if you are unsure whether or not to send your child to school. Any students showing symptoms will be sent home. This is the current district policy, as we are working hard to keep everyone healthy. If you take your child for a Covid test, they must stay home until you have received a negative test result.
