Happy Friday Stober Families,

It is hard to believe that we are in the final weeks of school for the 2021-2022! As we wrap up, there is so much to celebrate within our school community! I want to begin by thanking Alice Shelly for her coordination of our Spring Plant Sale! Thank you to everyone who volunteered their time at the sale! This is such a wonderful Stober tradition, and I appreciate all of the dedication and effort that went into making this year such a success!

We began this week with our incredibly fun trip to Skate City! The kids seemed to have a blast and I was so impressed with their resilience-many times I saw students fall and get right back up and keep skating! We wrapped up our week with a great Field Day! Thank you to Mr. Flowers for his coordination of the day!

Our final 8 days of school are busy! Please be sure to reach out to the office or your child's teacher with any questions on field trips, events, and celebrations!

Lastly, we look forward to seeing everyone tonight at 7:45 on the upper field for our PTA Movie Night!

Coming Up:

Tonight-PTA Movie Night @ 7:45 Upper Field

May 20-5th Grade Musical @6pm WRHS

May 23-Tie Dye Day

May 24-5th Grade Continuation 10am

May 25-Kindergarten Continuation 10am

May 25-Last Day of School Picnic 11am, Dismissal at 12:35

PTA

Thank you to everyone who attended Wednesday's PTA meeting. It was great seeing everyone in person. I want to thank our outgoing PTA board members, Sara Ewing, Evan Walston, and Cole Jacobs. Kaley Batley will be continuing on the board as Secretary. I am so grateful to them for being such incredible, thoughtful and dedicated leaders. Their commitment to guiding all of us through a pandemic and to finding ways to creatively support our school through community events and fundraising has been inspiring.

I want to congratulate our incoming PTA board members Michelle Applegate, Matt Martinez, and Alison Pilsner. Thank you for volunteering your time, talent, and hearts to our school! We are excited to welcome you all to the board!

School-Wide Tie Dye Event-May 23rd

On Monday May 23rd Stober will be throwing a school wide Tie Dye Party led by our 5th graders and 5th grade teachers. All students should bring 1 white item (cotton catches the colors the best) that they would like to tie dye by May 19th.

Last Day of School

Our last day of school for our K-4 students is Wednesday, May 25th. We will end the day with an all-school picnic on the upper field beginning at 11am. Families are invited and are encouraged to bring a picnic lunch to enjoy! Students may bring lunch from home or sack lunches will be available for pick up in the cafeteria. **It is an early release day with dismissal at 12:35.**

Our 5th graders will end their year after their Continuation ceremony and picnic on Tuesday, May 24th.

Kindergarten Continuation

Our Kindergarten continuation will begin at 10:00 on Wednesday, May 25th and will last approximately 30 minutes. There will be a short reception with cookies and juice immediately following in the Kindergarten courtyard (Kindergarten playground). Families are welcome to join our all school picnic on the upper playground starting at 11:00. Details can be found above. If you would like to take your child home after continuation, please sign them out with their teacher.

22-23 School Supply Boxes

The Stober PTA is once again offering school supply boxes for the upcoming school year. This is not a fundraiser but simply a convenience for families and you will just pay the cost of the supplies. Additionally we offer these boxes because the school teachers like the quality and consistency of the supplies. Your orders will be shipped directly to the school and available for you at back to school night. Order now for the 2022/2023 school year now. Follow the link below, enter in Stober elementary school, and look for your child's grade. The order deadline is Sunday, June 26th.
