Happy Friday Stober Families,

I want to thank everyone who attended our Gala Sock Hop and Auction! I am truly overwhelmed by the immense generosity of our community. I truly can not thank everyone enough for attending as well as your overly generous donations. Thank you so much to Michelle Applegate and the entire committee for the time, energy and heart you put into the event! I am so grateful to everyone!

On behalf of the staff, I want to thank everyone for celebrating our staff this week for Teacher Appreciation Week! All of the sweet notes, gifts, and sentiments meant so much. Thank you to PTA and to Sarah Burrow for coordinating so many special treats all week. Thank you thank you!

On Wednesday we held our yearly evacuation drill. I wanted to let you know that the drill ran smoothly and the students did a wonderful job exiting the building quickly and moving to our evacuation site. District security was on site and were impressed with our students and staff.

Lastly, as you can see from our calendar, we have an incredibly busy May! Please continue to check the updates and our website for all of the details regarding the many events and celebrations coming up!

### **22-23 School Supply Boxes**

The Stober PTA is once again offering school supply boxes for the upcoming school year. This is not a fundraiser but simply a convenience for families and you will just pay the cost of the supplies. Your orders will be shipped directly to the school and available for you at back to school night. Order now for the 2022/2023 school year now. Follow the link below, enter in Stober elementary school, and look for your child's grade. The order deadline is Sunday, June 26th.
