Happy Friday Stober Families,

I want to begin by congratulating all of our students on an amazing Stober Stampede! Students demonstrated strength, perseverance and incredible effort and also had a whole lot of fun! We had over 80 people in our cheering section throughout the day! Thank you so much to Sarah Snow, Jen Giefer, Nikki Joseph, and Alison Pilsner for all of their time and energy in putting the Stampede together! We are so grateful to all of you for making it happen! I am excited to announce that as of today, the Stampede has earned over \$15,000 in fundraising dollars for our PTA to support our school. I am truly in awe of the continued generosity of our community.
