Happy Friday Stober Families,

We have had a fantastic week, even with the multiple weather seasons we've experienced! Our Library was filled with the incredible student-made book character themed pumpkins. I was so impressed by the creativity and artistry displayed. Congratulations to our 3 winners of the contest, whose picture is featured below!

This afternoon, our Stober Stampede Dunk Tank prize was a success! Needless to say, I was super impressed and terrified by the great aim our students have, as I was dunked several times! It was fun to have all the students out there supporting each other!

### **NCA @ Vivian Information Night**

As you know, the Board of Education will be voting on the proposed 16-school Closure/Consolidation Package on Thursday, November 10th. On Monday, November 14th we will be holding an Informational Meeting for NCA families to welcome them to our building and to begin the work around collaborating across our school communities, should the Board of Education vote in favor of the package. I am working closely with Michael Zweifel, the NCA Principal, and we are both strongly committed to working together to support everyone as we become one community. If you are interested in attending the informational meeting and being a part of welcoming NCA families and sharing the amazing work happening here at Stober, please reach out to me.
