

November 4, 2022

Happy Friday Stober Families,

I hope everyone enjoyed a fun Halloween! It was great to have so many families here for our celebrations on Monday. I want to extend a huge thanks to all of our families who planned, donated, and were present for our classroom parties!

We have found our way into the cold and flu season. We have had several students out sick this week, so as a reminder, please be sure to monitor your child for any symptoms prior to sending them to school. I have attached CDE's *How Sick Is Too Sick?*, which I hope is a helpful resource when determining whether or not your child should attend school.

NCA @ Vivian Information Night

As you know, the Board of Education will be voting on the proposed 16-school Closure/Consolidation Package this Thursday, November 10th. On Monday, November 14th we will be holding an Informational Meeting for NCA families to welcome them to our building and to begin the work around collaborating across our school communities, should the Board of Education vote in favor of the package. I am working closely with Michael Zweifel, the NCA Principal, and we are both strongly committed to working together to support everyone as we become one community. If you are interested in attending the informational meeting and being a part of welcoming NCA families and sharing the amazing work happening here at Stober, please reach out to me.

2023-2024 Stober Kindergarten Information Night

Please spread the word to your friends and neighbors! 2023-24 Kindergarten Information Night is December 1st from 5:30-6:30pm.
